Michelle Galloway, Investigator**

**10 Court Street, Delaware, OH 43015
(740) 833-2151**

April 13, 2022

The Delaware County Coroner's Office is proud to release its 2021 Annual Report. The purpose of this report is to inform local government, law enforcement and public health agencies about the duties and services provided by our office. In addition, this report serves as a review of Delaware County mortality statistics coming under the jurisdiction of our office for 2021.

Completing medicolegal death investigations requires a well trained staff, which is readily available for response and duty. Our team members complete annual continuing education and our Board Certified Investigator maintains certification through the American Board of Medicolegal Death Investigators. Our training is focused to allow us to provide the highest level of forensic service to the community.

The Coroner's Office, through its primary duties of death investigation and public education, is involved in the community through a variety of activities. Recent mortality trends in Delaware County have made our office significantly more active in working with local law enforcement agencies to solve criminal and civil cases as well as supply data related to drug overdose cases as well as violent death cases. In addition, we report Consumer Product and Occupational death related cases and our reports supplement insurance related claims.

The Delaware County Coroner's office continues to be committed to community education for all ages and public health surveillance. Over the past year, we have provided numerous educational presentations to public schools, civic clubs and law enforcement. We serve on the Suicide Prevention Coalition, Child Fatality Review, Adult Protective Services Interdisciplinary team, Traffic Fatality Review Board and other important committees interacting with prosecutors, all divisions of law enforcement/public safety, health district representatives, drug abuse and suicide prevention agencies, mental health and hospital staffs.

Our constant mission is to provide the highest level of professionalism and integrity in performing death investigations and to contribute to the benefit of public health efforts in Delaware County.

Sincerely,

Mark A. Hickman, M.D., D-ABMDI
Delaware County Coroner

Delaware County Demographics
