Charles Carlson, D-ABMDI, Chief Investigator
Karie McWherter, D-ABMDI, Investigator
10 Court Street, Delaware, OH 43015
(740) 833-2151**

March 08, 2023

The Delaware County Coroner's Office is pleased to release its 2023 Annual Report. The purpose of this report is to inform local government, law enforcement and public health agencies of the duties and services provided by our office. In addition, this report serves as a review of Delaware County mortality statistics coming under the jurisdiction of our office for 2023.

Completing medicolegal death investigations requires a well trained staff, that is readily available for response and duty. Our team members complete annual continuing education and our Board Certified Investigator maintains certification through the American Board of Medicolegal Death Investigators. Our training is focused to allow us to provide the highest level of forensic service to the community.

The Coroner's Office, through its primary duties of death investigation and public education, is involved in the community through a variety of activities. Recent mortality trends in Delaware County have made our office significantly more active in partnering with local law enforcement agencies to solve criminal and civil cases as well as supply data related to drug overdose cases and violent death cases. In addition, we report Consumer Product and Occupational death related cases. Our reports supplement insurance related claims.

The Delaware County Coroner's office continues to be committed to community education for all ages and public health surveillance. Over the past year, we have provided numerous educational presentations to public schools, civic clubs and law enforcement. We serve on the Suicide Prevention Coalition, Overdose Coalition, Child Fatality Review, Adult Protective Services Interdisciplinary team, Traffic Fatality Review Board and other important committees we interact with prosecutors, all divisions of law enforcement/public safety, health district representatives, drug abuse and suicide prevention agencies, mental health and hospital staffs.

Our mission is to provide the highest level of professionalism and integrity in performing death investigations while we contribute to the benefit of public health efforts in Delaware County.

Sincerely,

Mark A. Hickman, M.D., D-ABMDI
Delaware County Coroner

Duties of the Coroner's Office

Duties of the Delaware County Coroner's Office include:

- Provide response 24 hours a day, everyday.
- Determine the cause and manner of death.
- To complete a thorough investigation of the death.
- To positively identify the decedent.
- To accurately document the death scene.
- To complete interviews pertaining to the death.
- To order transport and have the decedent removed from the scene in a dignified manner.
- To insure that Next of Kin is notified.
- To determine whether an autopsy should be performed and make arraignments for the autopsy.
- To provide the residents of Delaware County with the highest quality of death investigations performed in a timely manner.

Reportable Deaths

Per Ohio Revised Code Section 313, the County Coroner is directed to conduct death investigations on all deaths that are sudden and unexpected. The following is a list of deaths that need to be reported to the County Coroner's Office:

- Homicide
- Suicide
- Accident
- Sudden Death: When the death occurs while in apparent good health including a child less than 24 months of age, or a death occurring in any suspicious or unusual manner.
- In-Custody death.
- Unknown circumstances.
- When any developmentally disabled person dies regardless of the circumstances.
